If you are a minister of the Gospel, or directly involved in an evangelical ministry, you may be interested to know that we have a few choice program times available. If you feel God is leading you to use radio as a means of outreach we would like to speak to you. We are looking for ministries that are faithful to the Word of God, and who have a vision to reach out beyond the four walls of the church building. If that describes you, please Contact us at 264-9700.
